# BLACK DIAMONDS

MOUNTAINTOP REMOVAL AND THE FIGHT FOR COALFIELD JUSTICE

with special guest, film director,  
**Catherine Pancake**

---

## MORE ABOUT THE FILM:

Black Diamonds: Mountaintop Removal and the Fight for Coalfield Justice is an award-winning feature documentary exploring radical community resistance to the explosive rise of mountaintop removal coal mines in Appalachian states.

*"A riveting and ultimately energizing documentary...plays like a modern-day "Civil Action."*  
- Ann Hornaday, The Washington Post
